

Credit for Prior Work Experience guidance notes

Please note that only work experience from an office authorised by ICAEW to train chartered accountancy students will be considered for credit.

We do not accept applications from offices that are not authorised to train ICAEW students.

- You can only apply for CPWE if you met the minimum entry for the ACA at the point that this period of experience began.
- You must have a minimum of 65 days of practical work experience within any period of prior work experience.
- No period of less than three months will be accepted.

Please also be aware that you may only claim up to 12 months experience (for CCAB students on a two year training agreement this is eight months). This period of time must be within two years prior to the start of your current training agreement.

CLAIMING CREDIT FOR PRIOR WORK EXPERIENCE

You will need to provide the following on this form:

- Your name, student number and address of the office where the experience was gained.
- The dates of the experience you are claiming.
- The number of practical work experience that you have gained for the period you are claiming for.
- The signature of the QPRT from the office where the work experience was gained (if this is not your current employer).
- Declaration by your current qualified person responsible for training (QPRT) to validate your claim.

Only when you have fulfilled these requirements and your claim falls within ICAEW's criteria will your application for credit be considered.

IMPORTANT NOTES

It is possible that your training office may not wish to count prior experience towards your training agreement duration. They may wish you to serve a period longer than the minimum 36 months that ICAEW requires and this decision lies with your employer.

Although you may believe that the work you have undertaken is relevant and equivalent to the training a chartered accountancy student would gain, it is the decision of the QPRT from the office where the experience was achieved to permit your claim. ICAEW will not be able to consider your application without this approval.

Work experience prior to the start of a training agreement can only be recognised if gained with an ICAEW authorised training employer (ATE).

You can only apply for CPWE if you met the minimum entry for the ACA at the point that this period of experience began.

If you are applying for experience gained in your current ATE complete section 2.

If you are applying for experience gained in a previous ATE complete sections 2 and 3.

SENDING YOUR APPLICATION

Please ensure that your form is fully completed and it has been signed off by your employer.

Please scan and email your completed application to applications@icaew.com

Credit for Prior Work Experience

Please complete the form and send it to applications@icaew.com
