

EMPOWER YOUR BUSINESS
ICAEW CERTIFICATE IN FINANCE,
ACCOUNTING AND BUSINESS

ICAEW CFAB

ICAEW CFAB

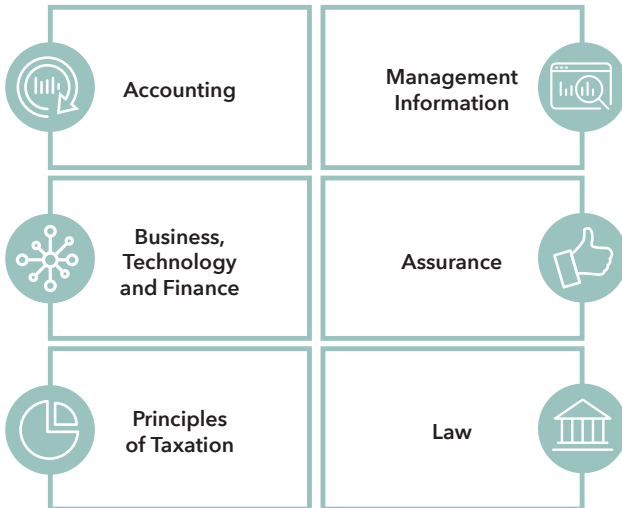

ICAEW CFAB is an internationally recognised qualification - providing the practical skills and knowledge needed for today's competitive business world.

ICAEW CFAB will provide your employees with a good understanding of business, finance and accounting, adding value across your organisation. It will benefit your employees in any team or department.

WHAT'S INVOLVED?

ICAEW CFAB consists of the same six exams as the first level of our world-leading chartered accountancy qualification, the ACA.

ICAEW CFAB

WHO'S IT SUITABLE FOR?

- School, college and university students
- Experienced employees (finance and non-finance) looking to improve their skills

WHY IS IT A GOOD OPTION?

- No academic requirements, so open to all employees
- Can be gained in a year (or longer if more convenient)
- Flexible study allows for learning in own time and around busy times in the office
- All exams are online and can be taken at any time, in any order
- Credit for prior learning is available for up to five modules for those with previous relevant qualifications
- A respected standalone qualification that also serves as a stepping stone to the Business and Finance Professional (BFP) designation and the ACA qualification
