EXPLORE

1

The Pathways to Membership scheme allows fully-qualified members from certain professional bodies to apply for ICAEW membership based on their experience. There is no studying or tuition involved and you can complete the requirements in your own time - wherever you are in the world.

Becoming an ICAEW member would provide you with access to numerous benefits, including career development, access to a global network, and the opportunity to relocate or gain new clients.

IS THIS THE RIGHT ROUTE FOR YOU?

First thing you need to do is [check your eligibility](#).

If you are unsure whether you meet all the criteria, have a look at our [FAQs](#).

HAVE YOU REGISTERED YOUR INTEREST?

If you haven't already done so, take a moment to register your interest. An ICAEW team member will then get in touch to discuss the route with you.

PREPARE

2

Now that you've checked your eligibility, you can start preparing for your application.

There are currently three [submission windows](#) during the year, these occur in January, May and September. During these windows, which are open on average for 10 days at a time, you can submit your application.

Below we take you through the preparation stage towards your submission.

ATTEND A LIVE SESSION

Before each submission window, we run live sessions to introduce you to the Pathways route and to help you understand what is involved in the Examination of Experience.

If you have registered your interest, you will receive an email informing you of any upcoming sessions.

WHAT IS INVOLVED?

There are three key requirements for a successful application:

- 1 [Letter of Good Standing](#)
- 2 [Sponsor support](#)
- 3 [Examination of Experience](#)

Do take some time to explore these to make sure you can meet them and feel comfortable with them.

PREPARE

2

REQUEST A LETTER OF GOOD STANDING (LOG)

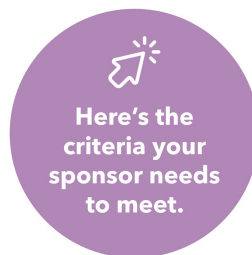

Your Letter of Good Standing needs to include the information listed [here](#).

Most membership bodies know how this process works and will give you the option to request a LOG via your member portal. If you are unable to find the relevant area on your membership body's website, you can simply type "[your membership body] Letter of Good Standing" on a search engine.

Different membership bodies have different timeframes for issuing these letters, so please check in advance to avoid disappointment. However, your LOG will definitely need to have been acquired within 3 months of the [submission deadline](#) (not earlier than those 3 months).

FIND A SPONSOR

In order to apply for the Pathways scheme, your application will also need to be supported by a sponsor. Sponsors are needed to confirm that there is no reason why you should not be accepted into ICAEW membership. Once you've found them, they will then need to fill in the [relevant form](#) no earlier than 3 months to the [submission deadline](#). Your sponsor will also need a LOG unless they are an ICAEW member.

Most candidates have found a sponsor amongst their colleagues, so this would be a great place to start.

WORK ON THE EXAMINATION OF EXPERIENCE (EOE)

At this point, you may have attended one of the introduction sessions. The next step is for you to attend an EoE session which will cover the questions and top tips on how to submit a successful application.

[Register your interest](#) to make sure you are invited to these sessions.

The Examination of Experience is a rigorous assessment that requires you to reflect on your experience over the last five years and demonstrate your professional skills.

Here's what you need to look at before you submit your application - you can check these off as you go:

(E) = Essential
(R) = Recommended

You can find all the available resources and support [here](#).

REGISTER

3

REGISTER

At this point, you probably have a good idea of whether you'd like to proceed with your application to gain ICAEW membership.

If you are interested, the next step is for you to register as a Pathways candidate - it's completely free and will allow you to make a submission once the [window opens](#).

Here's our [step-by-step guide](#) to registering as a candidate.

Please note - registering as a candidate doesn't commit you to an application but we do suggest you only sign up if you are planning to submit. Make sure you register at least a week before you submit your application.

SAVE THE DATES

Have a look on [our website](#) for key dates for upcoming submission windows.
