INTRODUCTION

Please use this form to apply to ICAEW for approval of a firm or corporate entity as a non-authorised owner with a material interest in a licensed firm.

In accordance with the Legal Services Act 2007 (the Act) and the Legal Services Regulations, ICAEW is required to approve all 'owners' of a licensed firm who are not authorised to undertake probate work prior to the acquisition of the material interest under Legal Services Regulation 6.1. This only applies in cases where the entity (either on their own or together with their associates) holds, or intends to hold, a material interest in the firm or a parent undertaking of the firm. Such entities, together with their associates, need to be approved as 'fit to own' a material interest in a licensed firm. For definitions of a material interest and associates, please see below.

A firm wishing to apply to ICAEW to become a licensed firm must be satisfied, and confirm to the ICAEW, that each non-authorised owner with a material interest (together with their associates) is fit to own.

In addition, a firm that is already licensed must seek prior approval for any non-authorised owner who, together with any associates, intends to hold a material interest in the firm, under Legal Services Regulation 6.1.

If ICAEW has approved a non-authorised owner to hold a specific type of material interest and that person or entity then acquires a different kind of material interest, this needs to be approved by making a further application. **No approval** is needed if an existing material interest is increased or decreased but, under Legal Services Regulation 2.7I, notification is required.

An application is needed even if the person or entity was previously approved as a non-authorised principal or shareholder of another licensed probate firm.

The firm may not conduct probate work until it has received formal notification from ICAEW that this application has been approved.

If the firm is already licensed and an entity intends to hold a material interest in the firm, that entity must be approved **before** the interest is acquired.

We will carry out a standard Disclosure and Barring Service check on each individual who holds a material interest in the parent entity of the probate accredited firm. You will need to pay a fee for this check.

HOW TO COMPLETE THIS APPLICATION FORM

The Head of Legal Practice should complete sections 1, 7, 11 and 12 on behalf of the firm and sign section 13.

The person on behalf of the entity to be approved should complete sections 2 to 6, and 8 to 10 and sign section 14.

Each associate of the person or entity to be approved should complete a copy of section 10 and sign section 14.

Where necessary, we give guidance before each section. Please read the guidance before you complete the question.

Fill in this form electronically, using the TAB key to move from one answer to the next.

If you need more space for an answer, please attach additional sheets.

In these notes, the 'Act' refers to the Legal Services Act 2007.

If you have any questions as you fill in the form, please call +44 (0)1908 546 302. This may avoid delays in dealing with your application.

Definition of associate

In determining if an interest is material, the interest held by a person or entity in a firm will consist of the total of the interest held by that person and the interest held by any of their associates. If a person or entity holds more than one type of material interest and has different associates for different types of interest, all must be listed. 10 FITNESS TO OWN AN INTEREST IN A LICENSED FIRM

The entity listed in section 2, or the principals listed in section 3 must answer the following questions. **Please complete and submit a copy of this section for all principals of the corporate entity listed in section 3 with the name of the person at the top of the copy.**

The Act requires persons or entities with an interest in accredited probate firms to be fit to own. A person or entity who holds a material interest in a licensed firm must satisfy ICAEW that they are fit to own.

If you have any doubts about your fit and proper status, please call +44 (0)1908 248 250 for advice.

If you answer 'Yes' to any of the questions in this section, you will not automatically be refused authorised status. However, the Legal Services Committee may wish to make further enquiries before reaching a decision.

If the Legal Services Committee subsequently finds out about any matters which you did not disclose, this will be viewed very seriously.

If you answer 'Yes', you will need to give further details on a separate sheet.

All persons listed in section 3 must answer all questions.

Associates of persons or entities to be approved as non-authorised owners do not need to mention offences which are spent for the purposes of the Rehabilitation of Offenders Act 1974, offences committed before the age of 17 (unless committed within the last 10 years) or road traffic offences that did not lead to a prison sentence.

Persons to be approved as non-authorised owners (not their associates) must disclose spent convictions and cautions but should not disclose protected* cautions or convictions or road traffic offences that did not lead to a prison sentence.

* The Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (as amended) was amended in May 2013 to bring it in line with the European Convention on Human Rights. The main changes were the introduction of 'protected' cautions and convictions. As a result of the changes, questions we ask about convictions and cautions do not apply to protected cautions and convictions. Failure to disclose such convictions and cautions cannot be considered as prima facie evidence of dishonesty. The Disclosure and Barring Service (DBS) will filter any protected convictions and cautions, so they will not appear on standard disclosures.

Guidance and criteria on the filtering of these cautions and convictions can be found on the Disclosure and Barring Service website at gov.uk/government/publications/dbs-filtering-guidance
