POINTS TO NOTE

In some circumstances, ICAEW staff will not have the delegated authority to make a decision on your application and it will have to be referred to the relevant ICAEW committee to consider. In this situation, it **could** result in conditions and/or restrictions being placed on the approval of the firm's application for registration. This **could** include:

external/internal hot or cold file reviews;

notifying the committee when ATOL appointments are accepted;

an advanced Quality Assurance Department monitoring visit; or

15 FIT AND PROPER

If you are a sole practitioner or a sole director or a sole shareholder of a corporate practice, these questions apply to you personally as well as to the firm.

The questions relate to all principals, licensed practitioners and previous practices.

The answers will be 'Yes' or 'No', but a 'Yes' will need further explanation.

The word 'firm' used below indicates all principals and previous practices.

- If a firm has any doubts about the fit and proper status of any of its principals or employees, it should make full disclosure.
- If a firm has merged in the last 10 years, the questions relate to every constituent part of the merged firm.
- A 'Yes' answer to any of the questions on this part of the application form will not automatically result in a firm being refused a licence, but ICAEW may wish to make further enquiries before reaching a decision.
- If ICAEW finds out about any matters which a firm does not disclose, this will be viewed very seriously. It could jeopardise the firm's application or continuing registration.
