NEW in Semi annual

Scientists rename human genes to stop Microsoft Excel from misreading them as dates

MARCH1 has now become MARCHF1, while SEPT1 has become SEPTIN1, and so on

Excel Online only

The image shows a section of the Excel ribbon with several features highlighted in orange boxes. The features are:

- Search & group queries**: Represented by a magnifying glass icon over a document.
- Better function tooltip**: Represented by a question mark icon.
- Embed**: Represented by a document icon with a plus sign.
- MS Forms**: Represented by a document icon with a plus sign.
- Date picker**: Represented by a calendar icon.

Below these features, the text "Excel online only" is displayed. The following features are also visible but not highlighted:

- fx 4mula by example**: Represented by a function icon (fx) and the text "4mula by example".
- Suggest 4mula**: Represented by a function icon (fx) and the text "Suggest 4mula".
